Select a country to provide your biometrics

To complete your application, you must provide your biometrics (fingerprints and facial photograph). This may involve attending a visa application centre (VAC) operated by one of our commercial partners.

We need to know which commercial partner will manage your biometrics appointment. This is so we can transfer you to the correct website after you have submitted your visa application.

Enter the country where you would like to provide your biometrics. This will usually be the country you are in now. If there is no VAC in your selected country, you will be able to choose an alternative location.

If you believe you are unable to provide your biometrics at any location, you should still choose a location. You will then be told how to proceed.

Enter the country you will enrol your biometrics in.

Payment of the immigration health surcharge will enable you to access the UK’s National Health Service at no additional cost.

It is charged at £470 per year for the duration the visa will be valid based on your course dates. These should match the dates outlined on your CAS. If the permission granted includes part of a year that is 6 months or less, the amount payable for that year would be £235.

To pay the immigration health surcharge, you will be asked to enter your course start and end dates. Ensure these match the dates on your CAS. You will also be asked if your course is at NQF 7. The terms ‘RQF’ and ‘NQF’ have the same meaning so answer this question based on the RQF level stated on your CAS.
Evidence of your permission to be in the UK

After the declaration you will be asked about collecting your Biometric Residence Permit (BRP).

When your visa is granted you will be issued a time-limited entry vignette (sticker) in your passport to enable you to enter the UK. You will be required to collect the BRP after arrival. The BRP is the evidence of your full UK immigration permission.

In the application you will be asked to enter an Alternative Collection Location (ACL) code. You will have been emailed a code by the International Student Office after your CAS was issued. By using this code you will be able to collect your BRP at the University. If you do not use this code, you would collect your BRP from the Post Office by entering the postcode for your accommodation or for the University (as outlined in your CAS). Students on the MBA, MFin and PGCE programmes are advised to collect their BRP from the Post Office as they have an earlier start date.

Further information is outlined at [https://www.internationalstudents.cam.ac.uk/student-visa-responsibilities/collecting-your-brp](https://www.internationalstudents.cam.ac.uk/student-visa-responsibilities/collecting-your-brp).
The final sections of the application require you to pay the visa application fee and book an appointment at the application centre you wish to attend.
