Student visa Lost / Stolen BRP (outside the UK)

Lost / Stolen BRP– outside the UK

- This document is intended to provide guidance to University of Cambridge students on the process to replace a lost / stolen BRP outside the UK.
- It has been prepared by the University's International Student Office using screen shots from the Home Office website. Students are advised to read this guidance as well as UKVI guidance prior to making an application.
- If you are outside the UK and have lost your BRP / this has been stolen you must apply for a BRP replacement single entry visa before returning to the country. This will allow you to enter the UK once.
- Once you have returned to the UK you will need to apply for a new BRP and instructions on how to do this can be found here: <https://www.internationalstudents.cam.ac.uk/lost-documents>
- The application costs £154. Visa Application Centres offer a variety of services at an additional cost which may mean your application can be processed more quickly. You can check the availability of such services at the Visa Application Centre where you intend on applying.
- Ensure you take your new BRP to your College once received as a copy needs to be scanned and uploaded to your CamSIS record.

Lost / Stolen BRP– outside the UK

- You should first report the loss or theft to the Home Office using the following link: <https://www.biometric-residence-permit.service.gov.uk/lost-stolen/where>
- This link cancels your BRP automatically and if you subsequently find it, it will no longer be valid and you will have to continue with the replacement process, so it's important you only do this once you are sure it is lost / stolen.
- If the card has been stolen you need to report this to the police in the country where the theft occurred and, if possible, obtain a police report.
- Apply for a 'replacement BRP visa' single entry using the following link: <https://visas-immigration.service.gov.uk/product/uk-visit-visa>
