• Financial evidence – you must demonstrate that you have £680 for each month of leave granted to the main applicant (up to a maximum of 9 months). You can use a bank statement or letter from the bank to fulfil this requirement. The money can be in your name or the name of the main applicant. The statement/letter must show that you (or the main applicant) have held the required money for a consecutive 28 day period (finishing on the date of the closing balance) ending no more than 31 days before your application. If the main applicant has an official financial sponsor and they are also covering your living costs then you can submit a letter from them confirming this in order to fulfil the financial requirements.

• Evidence of relationship to main applicant
  o If you are the husband/wife or civil partner of the Tier 4 (General) Student you should provide your marriage certificate (or civil partnership certificate).   o If you are the unmarried partner of the Tier 4 (General) Student you should provide evidence that you have been living together in a relationship similar to marriage for at least two years (e.g. joint bank statements, council tax bills, utility bills, medical registration, tenancy agreement). Your documents should cover the whole of this two year period.
  o If you are the child of the Tier 4 (General) Student you should provide your birth certificate showing the names of your parents. If your other parent is not applying at the same time, you should provide evidence of their UK immigration permission (a visitor visa is not sufficient).
